

CHASSIS CHOICES ON YOUR TERMS

GET THE CHASSIS YOU NEED FROM DAILY RENTALS TO LONG-TERM LEASES!

Fuel your fleet's future with flexible lease and rental terms

In uncertain times, fleet managers are cautious about long-term commitments. Milestone offers flexible rental options to meet any need – daily rentals, short-term leases, chassis pool rentals, or traditional long-term leases. Whether it's a quick haul or a longer commitment, Milestone has the solution.

Get ahead with our next-generation fleet

The average US marine chassis fleet is outdated, but Milestone offers the industry's newest, safest, and most reliable chassis. Our advanced safety features make maintenance easier and less costly, ensuring you have the best equipment on the road.

Get instant access to 34,000+ premium chassis!

With over 34,000 premium chassis available, Milestone has everything you need – from sliders to goosenecks, tri-axle tridems, and lightweight options.

Unlock nationwide access: 40+ depots to serve you

With 40+ strategically located depots, Milestone ensures you have access to the equipment you need, exactly where and when you need it.

Gain access to daily chassis rentals with ChassisFinder

For quick, hassle-free rentals, visit [ChassisFinder.com](https://www.chassisfinder.com) where you can easily book chassis for daily rentals or short-term contracts.

“We offer a range of lease terms so our customers can adapt quickly to changing needs. Our investment in the newest and most advanced chassis proves Milestone is dedicated to providing the versatile solutions that today's market demands.”

– John Kiss
VP of Strategic Sales
